

The 5th Mayo-Sheba Cardiovascular & Cardio-Renal Symposium

focus on

Adult Congenital Heart Disease, Women In Cardiology, Updates In Nephrology

24 March 2019

Venue: Zublodowicz Autoimmune Center Auditorium

This symposium was made possible through the generous support of Mr. Dan Abrahams

Dillon John D. - Nephrology and Hypertension
Fernando C. Fervenza - Nephrology and Hypertension
Lerman, Lilach O. - Nephrology and Hypertension
Kianoush B. Kashani - Nephrology and Hypertension
Qi Qian - Nephrology and Hypertension

Friedman, Paul A. - Department of Cardiovascular Medicine
Lerman, Amir. - Department of Cardiovascular Medicine
Nishimura, Rick A. - Department of Cardiovascular Medicine
Rihal, Charanjit S. - Department of Cardiovascular Medicine
Schaff, Hartzell V. - Department of Cardiovascular Surgery
Warnes, Carole A. - Department of Cardiovascular Medicine

08:00-08:20 **Registration and Coffee**

08:20-08:50 **Welcome**
Y. Kreiss, E. Raanani, A. Segev,
A. Lerman, D. Dinour

08:50-09:00 M. Glikson
**Update on joint Mayo Sheba
research projects**

Morning Session 1

09:00-09:20 R.A. Nishimura
**Is the Cath Lab Dead in the
Era of Echo?**

09:20-09:40 C. Rihal
**Novel Valve Replacement
Technologies**

09:40-10:00 E. Grossman
**Hypertension in Adolescence and
End-stage Renal Disease.**

10:00-10:20 J.D. Dillon
**Artificial Intelligence in Medicine:
Non-invasive Blood Potassium
Measurement**

10:20-10:40 E. Schwammenthal
**Transcatheter Renal Venous
Decongestion (TRVD) in Heart
Failure**

10:40-11:00 Coffee break

Morning Session 2

11:00-11:20 L. Lerman
**Cell-based Therapy in Ischemic
Kidney Disease: Are We There
Yet?**

11:20-11:40 K.B. Kashani
**Recent Advances in Acute
Kidney Injury**

11:40-12:00 R. Kunin
**Hemodialysis vs Peritoneal
Dialysis in Heart Failure Patients**

12:00-12:20 A. Lerman
**Atherosclerosis Imaging in the
Heart and Kidney: Plaque and
Microvascular Disease**

12:40-13:00 P. Friedman
**New Strategies to Remotely
Detect and Treat Heart
Disease: Mayo Innovations**

13:00-14:00 Lunch

* Session Chairs yet to be decided

Afternoon Nephrology Session 1

14:00-14:20 F. Fervenza
FSGS: Primary, Secondary and Genetic

14:20-14:40 M. Dranitzki Elhalel
Kidney Transplantation in Israel 2019

14:40-15:00 A. Vivante
**History of Childhood Kidney Disease and
Risk of Adult End-Stage Renal Disease**

15:00 -15:15 Coffee break

Afternoon Nephrology Session 2

15:15-15:35 Q. Qian
**Sodium, water and nephron, link to
hypertension, CKD and LVH**

15:35-15:55 P. Beckerman
APOL1- Associated Kidney Disease

15:55-16:15 F. Fervenza
Membranous Nephropathy in 2019

Afternoon Cardiology Session 1 Cardiovascular Disease in Women

14:00-14:15 J. Leor
**Modeling Peripartum Cardiomyopathy
with Human Induced Pluripotent Stem
Cells**

14:15-14:30 R.A. Nishimura
Diastology for the Clinician

14:30-14:45 R. Hercovici
**Myocardial Infarction with Normal
Coronaries**

14:45-15:00 H. Schaff
**Survival Differences in Women After
Septal Myectomy**

15:00-15:10 Coffee break

Afternoon Session 2 – Adult Congenital in collaboration with Shaare Zedek Medical Center

15:10-15:30 C.A. Warnes
Pregnancy and the Heart: An Update

15:30-15:42 T. Hasin
**Heart Failure of Patients with Adult
Congenital Disease**

15:42-15:55 A. Nir
The Israeli Perspective

15:55-16:10 A. Serraf
**Adult Congenital Heart Disease: Coming
of Age**

16:10-16:25 C.A. Warnes
**Common Mistakes in Adult Congenital
Heart Disease**

Please be advised that due to limited seating in the auditorium
registration is required.

Contact for registration:

Marketing department, Sheba Medical Center

E-mail: marketing@sheba.health.gov.il

Tel: +972-3-5305000, choose line 0 and then line 2, 8:00-16:00

Entrance is free

Advance registration required
