

The Annual Meeting of the Israeli Society of Nephrology and Hypertension

Advancing Patient Care. Fostering Collaboration.

7-9 May 2025 | Expo Tel-Aviv

08:00-08:45	Gathering and refreshments Greetings		
09:00-09:30		the protoribosome to genetic diseases	
09:30-10:45	Session 1: Chronic Kidney Disease: Co	ntroversies in the evaluation and	
Hall A	management of CKD Lesley Inker - Estimation of GFR		
	Michal Melamed - Evaluating the ben in patients with CKD	efits and risks of alkali therapy	
	Jennifer Scherer - Models of care for	• • •	
10.45 11.20	Coffee break / Abstract presentations		
10:45-11:30 11:30-13:00	Coffee break / Abstract presentations Session 2: Updates in SLE Sponsored		
Hall A	Liz Lightstone - Navigating through new therapies in lupus nephritis		
	Joanne Bargman - Mistakes in the management of lupus nephritis Oshrat Tayer-Shifman - What's new in the management of SLE outside the kidney		
Hall B	Session 3: Transplant Nephrology Ruth Sapir-Pichhadze - Incorporating	molecular compatibility in organ	
	allocation schemes to prevent antiboo Phil Marsden - Xenotransplantation Ruth Rachamimov - Transplant Touris		
13:00-14:00	Lunch		
L4:00-15:30	Session 4: Bringing It Home: Home Di		
Hall A	Joanne Bargman - PD is having a mon	nent	
	Jeffrey Perl - PD Two-Year Literature R Shira Goldman - Dialysis during times	Review of war: Does PD have a fighting chance	
Hall B	Session 5: Update in critical care neph		
	Ron Wald - Delivering RRT in AKI: The Marc Romain - De-escalation and dec	latest evidence ongestion in critically ill patients with AKI	
		strategies for the care of patients with sepsi	
L5:30-16:00	Coffee break		
L6:00-17:30	Session 6: Controversies in Nephrolog	SY	
Hall A	Debate 1 Be it resolved that HDF should be	Debate 2 Be it resolved that PLEX should be	
	the primary therapy for patients with ESKD	offered to all patients with severe organ-threatening ANCA vasculitis	
	Alon Antebi - Pro Leonid Feldman - Con	Alan Salama - Pro Timna Agur - Con	
	Leonia Felaman - Con	IIIIIII Agui - Con	
17:30-18:00	Commute to Gala		
		April 1997	
L8:00- 20:00	Tour and Gala Dinner ("Anu" museum		
18:00- 20:00	Tour and Gala Dinner ("Anu" museum		
18:00- 20:00	Tour and Gala Dinner ("Anu" museum		
	Tour and Gala Dinner ("Anu" museum May 8, 2025		
Thursday	May 8, 2025 Early-bird symposium - Breakfast with	n the Experts: Real-World Challenges	
Thursday 07:30-08:30	May 8, 2025 Early-bird symposium - Breakfast with with SGLT2 Inhibitors Sponsored by	n the Experts: Real-World Challenges	
Thursday 07:30-08:30 08:15-08:45	May 8, 2025 Early-bird symposium - Breakfast with	the Experts: Real-World Challenges Boehringer Ingelheim	
	May 8, 2025 Early-bird symposium - Breakfast with with SGLT2 Inhibitors Sponsored by Gathering and refreshments	the Experts: Real-World Challenges Pertension and kidney disease	
Thursday 07:30-08:30 08:15-08:45 08:45-09:15	Early-bird symposium - Breakfast with with SGLT2 Inhibitors Sponsored by Gathering and refreshments Plenary session 2: Vesna Garovic - Hy Plenary session 3: Kamyar Kalantar-Z Session 7: Caring for patients with glo Heather Reich - Emerging IgA nephrol	the Experts: Real-World Challenges Boehringer Ingelheim Pertension and kidney disease adeh - Incremental dialysis merular disease Sponsored by & NOVART
